Leather goods

Nuestra imaginación sólo es superada por nuestra calidad.

Unbeatable quality, unique imagination.

Escultura, Poesía, Cine, Marroquinería... Todos ellos son diferentes Artes, pero Artes al fin y al cabo.

Así es. La Marroquinería es un Arte y en ello se basa nuestra concepción del trabajo que realizamos. Y para todo trabajo son necesarias unas herramientas. Las nuestras son: la confianza de nuestros clientes, el diseño, calidad en todos los productos y las manos de los artesanos-artistas.

A estas herramientas unimos nuestro gusto por cuidar los detalles y por disfrutar cada día con nuestra tarea. El resultado no puede ser otro: algo extraordinario.

Pasión por el Arte

Sculpture, Poetry, Cinema, Leather Craft... They all are different Arts and Arts after all.

Thus it is. Leather Craft is an Art and we base on this our concept of the work we make. As every work requires some tools, here are ours: customer trust, design, top quality in every product and the handworkers' hands.

Besides these tools there are some more essential components that we always add: our special care in small details and the fact of enjoying our work everyday. The result couldn't be another but something wonderful.

Golf Items

El encontrarnos en uno de los principales destinos de golf del mundo, nos llevó a idear una línea de productos relacionados con este fascinante deporte. Tras unos años trabajando estos artículos, nos sentimos orgullosos de estar presentes en importantes campos de golf y de colaborar en diversos torneos del Circuito Europeo.

Our factory is located near one of the leading golf destinations in the world. This fact drove us to create a range of goods related to this fascinating sport. Nowadays, we are so proud that our golf items are sold in important golf clubs. Our articles are also worthy part of merchandising in several courses of the European Tour.
